

ST Projectors

Group A : EH415ST

Group B : W303ST, W305ST,
X305ST

Group C : EH200ST, W316ST,
X316ST

Group D : 515ST

Group F : 460ST

UST Projectors

Group E : Lamp based models and
laser based models

Note:

For group E, the position of the mounting holes in relation to the center of lens remain unchanged, which means if Optoma wants use this mounting plate for your UST projectors, there is no need to modify the installation chart made for UST projectors.
