## ZU750

Spectacular image quality, low maintenance and ultimate reliability

## 30,000 hours maintenance-free laser light source •

- Dust resistant Independently tested, IP5X certified for total reliability
- 8000 lumens laser WUXGA DLP projector •
- Installation flexibility 7x lens options including ultra short throw and dome lens

The ZU750 builds on the success of the Duracore range of professional installation projectors. With enhanced features such as warping and edge blending, it joins the DuraCore laser line up which combines industry-leading lifetime of the light source with an independent dust resistant certification for ultimate peace of mind.
