

DC554 Multi-Jointed for versatility

- 13MP 4k Camera
- 17 x Optical zoom to focus on the finer detail
- Built-in microphone for webcam use
- A3 landscape (297 x 420 mm) (11.7 x 16.5 ins)

Optoma's DC554 takes a live workspace and allows you to distribute real-time image capture to large audiences when combined with any big screen technology.

Sharing video content remotely has never been easier too, simply connect to any one of the video conferencing tools (Via a PC) to enable sharing with remote audiences. The Flexible folding arm allows complete versatility and is perfect for any environment doubling up as a high performance webcam when needed.
